Dear Sir/Madam:

I wanted to share with you the enclosed letter from Bryan and Terry Pargeter, who are concerned about a regulation the FCC is considering which may adversely affect the use of model airplanes. Because of my desire to be responsive to all inquiries and communications received in my office, I would appreciate any consideration you may be able to give this situation.

Please direct any questions and your response to my Oklahoma City Office, Attn: PM, 621 N. Robinson, Suite 370, Oklahoma City, OK 73102. I would greatly appreciate any assistance you may be able to provide in this matter.

Sincerely,

United States Senator
